Warden

Norwood Retreat Centre, Norwood, Otley LS21 2RA

01943 464458 ~ norwoodchapel@tiscali.co.uk

Hello,

My name is Brenda Greetham and I'd like to introduce myself to those who don't yet know me as the new warden at Norwood Chapel Day Retreat and Conference Centre. I'm saying 'new' whilst realising that I have actually been here for almost 3 months now!

What can I tell you about myself?

Originally from Bradford, I moved into the Wharfe Valley 35 years ago on starting my training as a Mental Health Nurse in Burley-in-Wharfedale. I remained in the area (mainly Otley) until moving to Farnley 2½ years ago and then coming to live in the beautiful Washburn Valley at the beginning of February.

Although I am no longer married, I am the mother of 4 children, their ages ranging from 30 (a son, Peter, living in London) to my youngest Evie who is 15, with Olivia and Alexander in between! Evie lives here at Chapel House with me but is often to be found at nearby stables, being mad about horses.

Prior to applying for the warden position I found myself at a crossroads in my working life, having been a nurse

in the NHS for many years but gradually becoming disillusioned with the job. I had also harboured a desire for some years to work within a Christian setting and as I sought God's guidance I was led to apply for the warden position - and here I am! Throughout my life I have always enjoyed being in a caring role and therefore am looking towards recruiting a team of volunteers who might enjoy spending some time in the garden, helping me. Please do get in touch if this appeals to you (I promise you that tea and cakes will be in plentiful supply!).

The Centre is used regularly throughout the year (with the exception of the winter months) by groups mainly from churches, many of who have been coming here year upon year.

There is however potential to develop the use of the Centre further and various ideas are currently being explored, including making it more available to the general public and to the local community. Many of us, I'm sure, have felt the unexpected pleasure of trying a church door and finding

that it opens. There is an ever-increasing number of walkers, cyclists and cars passing by as the weather gets warmer and it would be good to be able to offer them a stopping place where they can rest and 'refuel'.

We are keen to gather the views of the local community about how we could use the Centre for their benefit and I am in the process of organising a day over the next 2 months where local people can come and share some ideas or just come and enjoy some refreshments (watch out for a notice in next month's magazine).

We hope in particular that the Centre will increase its use as a venue for individual retreats. It has much to offer those who need to escape from the stresses and strains of life, and to

those who find themselves in difficult and challenging circumstances as a place of peace, refreshment and hope.

I would like, in closing, to extend my gratitude for the fantastic welcome I have received from people who had previously been strangers and for the many offers of help, advice and support both from our chapel congregation and from the wider church within the valley.

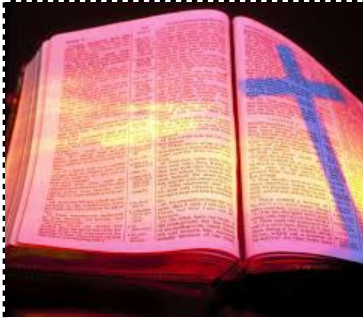

Despite being on my own, physically, in this role, I really value feeling part of a team, in working alongside my Methodist and ecumenical colleagues, partners and friends and sharing the same vision.

With every good wish,
Brenda.

Farnley Church lambing service 3rd May at 9.30 am

We are now surrounded by the 2015 crop of lambs and to give thanks we are holding a thanksgiving for lambing at our family service. We invite all, young and older, to bring a "toy" or model lamb if you have one, we may have a live one or two as well, in our sheep pen outside the church....if they are not too big by then! It will be interesting to see the range of lambs gathered that day! Refreshments afterwards.

On the Friday after Easter, Teddy Church gathered as usual for songs, story, prayers, play and, of course, refreshments. It was a lovely sunny morning and, as you can see from our photograph, we all had fun.

If you would like to join us please do. Our next session is on 22nd May at Fewston Church and Centre. Normally our morning is the 2nd Friday in every month – but May is the exception this year!

## GOOD NEWS

“St Andrew’s Church, Blubberhouses has successfully secured a grant of £14800 from the Government’s Listed Places of Worship Roof Repair Fund to address urgent roof repairs that will ensure it is weathertight, safe and open for use. It is one of 502 grants from a total funding package of £30million that have been announced for

urgent roof repairs for places of worship across the UK by the Chancellor of the Exchequer. The Fund is administered by the National Heritage Memorial Fund (NHMF) on behalf of the Department for Culture Media and Sport (DCMS). More details are available at [www.lpowroof.org.uk](http://www.lpowroof.org.uk).”

A group from the united churches in the Washburn valley, and beyond, walked from Stack Point car park, along the reservoir side and up the path to the Church on Palm Sunday. The day was cool and damp, but that did not deter us – least of all the donkeys loaned and led by the Barker family. The donkeys enjoyed

their second visit to the church in four months and behaved themselves impeccably. The walk was followed by a short service for Palm Sunday.

## NOW!! .... IN MAY

Adi and Loko know what it's like to live life on the edge. Living in Ethiopia, just 25 miles away from each other, they have never met. And yet their stories are cut from the same cloth - girls born into traditional rural communities that value boys; struggling to provide for large families; strong women. "Hunger is difficult, hunger makes you blind. If you are hungry you can't see. Your legs can't walk and your mind can't think." Adi knows. Left with no cattle and just one sheep when her husband died, she and her eight children ate just once a day - and very little even then. No husband, no livestock, no status. Then Christian Aid provided her with a cow. All change! From a single cow Adi got milk, churned butter, made a little money - and found hope.

For now, gathering and selling wood from miles away in the dangerous bush - four times a week - is the only way Loko can afford to give her children even one small meal of

boiled maize each day. She too knows hunger at first hand. "With a cow, I could sell the milk and butter and save up to start a small business... When the children have milk to drink, they are healthy." Loko has a young teenage step-daughter, Dabo. Dabo dreams of becoming a teacher. Despite their poverty, Loko is determined that Dabo should stay at school. What sacrifice!

The cost of a cow? £150. This Christian Aid Week, can we raise enough money to give Loko and a dozen or more women like her a life-changing cow? It's a practical and very possible aim.

Christian Aid Week is 10-16 May this year. If you would be willing to help with our house-to-house collection - and have not done so before - please give me a ring on (01943) 851234.

### **A Pentecost Celebration for the Parishes of Ripon Episcopal Area**

Following the encouraging conversation with the Area Deans of the Episcopal Area, we at the Cathedral have planned a Pentecost Celebration in which we would like parishes to take part. Our aim is that the service should reflect the life, ministry and mission of the Episcopal Area. We want to celebrate the good things that have been happening, share ideas that have worked for us and might work for others and enjoy time to get to know each other better. All in the context of a creative, 'Songs of Praise' style service, led by Bishop Nick Baines.

I am now writing to ask you for contributions to the service from your Deanery. This might be a suggestion for a hymn, a reading (biblical or otherwise) or a brief testimony, story or prayer. You may have a local choir who would like to participate; that too we would welcome. If you are suggesting a reading, hymn or prayer please could you tell us why it has been chosen. These explanations will be included on the Service sheet. For readings, stories etc. it would be good to have someone from the Deanery willing to read it in the Cathedral, names will be helpful later on but not vital at this stage.

Whilst we will hope to include everything offered I'm sure you will understand if we are unable to do so within a service that we intend should last about one hour.

The service will be accompanied by a Brass Quartet so we need hymns fairly quickly – by 17<sup>th</sup> April please to allow the music to be arranged. Other contributions by the end of April would be helpful. Please send them to [canonelizabeth@riponcathedral.org.uk](mailto:canonelizabeth@riponcathedral.org.uk)

Attached is a poster/flyer for the service, please could you distribute it as widely as possible round your Deanery and encourage folk to both suggest contributions and book the date in their diaries.

With my very best wishes

Dean John

EVENTS in ASKWITH, WESTON and DENTON

The Village Walk and Easter Egg Hunt held on Easter Monday in glorious weather was exceptionally well attended. The new format of meeting and finishing at the Askwith Arms was a great success with the pub providing teas and hot cross buns. The warm weather also encouraged many to have something slightly more thirst quenching from the bar. Grateful thanks to all those who participated or helped in any way to make it such an enjoyable event. Many thanks to the staff at the pub for providing a never ending supply of hot cross buns when they were very busy with their other customers!

ASKWITH SHOW

Saturday 13 June

Entry forms available

askwithshow@outlook.com

We welcomed Ros Lilley, a volunteer with the Yorkshire Wildlife Trust, to our April meeting. The Trust was set up over 65 years ago after Sir Frances Terry and Arnold Rowntree, of the York chocolate dynasties, successfully purchased Askham Bog near York when it was threatened by development. Initially the Yorkshire Naturalists' Trust it eventually became the Yorkshire Wildlife Trust a few years later and gained charitable status. By 1966 membership had reached 1000 and by 1998 the Trust had formed 25 nature reserves across Yorkshire. There are now 95 reserves stretching from Spurn Point in the east to Ingleborough in the west and, with a current membership of 36,000 and rising, it continues to flourish. The Trust's aims are to protect, conserve and record wildlife in Yorkshire and along with a staff of 90 plus, they have an army of volunteers who help out in all sorts of ways. Ros was a most interesting speaker and whilst many of us had heard of the Trust we didn't exactly know what they did but Ros's illustrated talk was both enlightening and informative and it was a thoroughly enjoyable evening.

Later this month our newly formed walking group will meet and in early May another new group for crafty crafters will meet too. May also sees some of us take part in a section of the Ripon Rowel centenary walk which will be walked in stages over several days, and we'll also be visiting Kiplin Hall near Richmond for '100 Shades of Green', our Federation craft exhibition which has attracted entries from all over the North Yorkshire West region and should be a spectacular event. We'll be following that with a visit to Thorp Perrow Arboretum on the way back.

We're very much looking forward to our May 14th meeting as our speaker is Maria Glot who's an expert on the life of Sir Titus Salt and the history of Saltaire village, the World Heritage Site. Maria is a highly amusing and entertaining speaker so it should be a great night.

We meet on the second Thursday of the month, 7.30pm, at Askwith Village Hall and we welcome women as visitors or potential members from around the area. Why not come along to a meeting? If you'd like more information call Sue Appleyard on 01943 839292.

Washburn Heritage Centre in May

Throughout May, the Centre and tea room continue to open every Saturday and Sunday from 11am–4.30pm.

We are getting ready to begin our new theme entitled Seasons in the Washburn Valley and we start by highlighting what is special about Summer in the Washburn. An exhibition and programme of Summer events will run from May to August 2015. A programme leaflet will be available in May and events can also be viewed on the www.washburnvalley.org.

We'd particularly like to promote the following event:

Favourite Seasons Poems

Wednesday 20 May, 7.30 - 9.30pm

Enjoy an evening with acclaimed writer and poet James Nash sharing his personal favourites. Includes glass of wine and some nibbles. £10 per person, £8 Washburn Society members.

Advance booking and payment is required to secure a place for all events. Contact Rachel on 01943 880794 or centre@washburnvalley.org.

Vavasour Society

Our final meeting of the season will be held on Wednesday 6 May at 7.30 in Askwith Village Hall when Malcolm Parsons will speak on 'Mr Scott's new LGI'. As usual everyone is very welcome (guests £4) and refreshments will be served afterwards.

Diana Parsons

Farnley Estate Young Farmers

On Wednesday 18 March our older members were invited to the NFU quiz and the younger ones went swimming to the Harrogate Hydro. On Wednesday 25 March we had a fun night novelty judging at Leathley village hall and on Wednesday 1 April we joined Knaresborough Young farmers on a treasure hunt round Knaresborough, a vote of thanks was given to Knaresborough Young farmers for having us. We had our own Easter hunt on Wednesday 8 April at the Liddle's farm at Crag Lane and we thank Mr and Mrs Liddle for hosting this event.

James Driffield

In April we were entertained by Tanya Umpelby who demonstrated a few cooked treats and showed us many of the kitchen items on sale in her shop and tea room in Killinghall. It was both a fascinating and humorous evening.

We are holding an open meeting on Wednesday 13 May at 7-30pm when we will welcome Martin Walker who has recently retired from Leeds City Parks, and currently works in the Yorkgate Garden in Adel. He was the designer of the HESCO garden at Chelsea in 2011 which won a gold medal and featured canal lock gates, a garden many of us will remember seeing on television. Mr Walker started as an apprentice gardener at Golden Acre Park in 1972 and has worked on all of the Leeds City Council entries to Chelsea. He will speak on a "Lifetime of Gardening". We are moving the venue for this meeting to Almscliffe Village Hall and we will welcome our WI members, their partners and friends as well as anyone reading this who would like to come (males or female!!!). There is a small charge of £5 for visitors which includes light refreshments. Tickets are available in advance from our president, Gillian Lishman or pay at the door.

We will be holding our annual Teas on the Green at Leathley Village Hall on

Spring Bank Holiday Monday May 25 when we welcome visitors for tea and cakes. Offers of help and baking are very welcome.

Our meeting on 10 June will return to Leathley Village Hall when Ann Shadrake from The Yorkshire Dales Society will be our guest speaker.

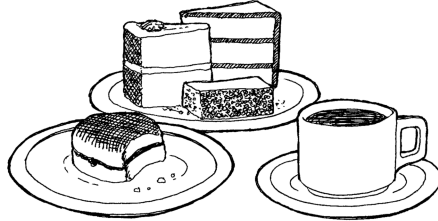

I'd like to give advance notice of two future meetings. On Wednesday July 8 we are to visit Nidderdale Museum who are opening specially for us and afterwards those members who wish are going to have supper in Pateley Bridge, (£15 for two courses).

On Wednesday November 25 we have some tickets available for Gary Barlow's premier of "The Girls" at The Grand Theatre in Leeds. The tickets are for the 7.30pm performance in the dress circle (£37.50) and monies have to be paid by the end of May.

If any one is interested in either of these outings please contact me on the telephone number below.

Again I invite any woman living locally to come to one of our meetings. You will be made very welcome. If you would like transport or any other information please don't hesitate to ring either our president, Gillian Lishman, 01423 734275 or myself 01423 734543.
