COASTING

Schools are coming to the end of their year. Wimbledon has finished. England has beaten the Aussies (1 down 4 to go). It's raining! Oh for somewhere warm, sunny, dry – and safe! The coast has been a favourite destination for many people for many years, whether it's at home or abroad (try Cornwall).

I don't like the seaside (cold, wet water, sand gets everywhere) but I do like rock pools, cliffs and ice-cream – and Cornwall has all those. As I've said before, we all need to take regular time out – days off, holidays, quiet days, retreats so that we are (hopefully) refreshed and recharged (re-created).

However, the coasting that's been in the news recently is related to schools not to the seaside and I've been reflecting on what I wrote last year at this time in relation to Farnley School, it's OfStEd report and being put into Special Measures.

I asked are we fit for purpose in whatever we do, in whatever clubs, groups or churches we go to or the committees that we are on. When did the group or an individual review what they should be doing, where they should be going and should anything change? Be it husband, mother, employee, Director, Christian, Moslem, are we actually doing what we should be doing to the best of our ability? Have we become side-tracked from the main purpose; have we forgotten what that is; do we need to change because of new circumstances. Who needs a review, an update or training course? Who needs to take stock of where they are, and are they still going in the right direction?

Does an activity need to stop to allow time to re-focus, re-train and get back on track? I wonder what you thought. Did it make any difference? I hope that in some way it did because it's still relevant – even more so as Schools will be targeted for improvement if they're considered to be coasting; they're good but could do better; they've stopped trying to improve.

I'm sure that at some point we've all coasted – I know that I have at different times and in different contexts. We can become complacent in an area or two of our life – marriage, work, friends, family, hobbies. We owe it to our families etc. not to take them for granted or to take our feet off the pedals for too long. Jesus was on the move with His Disciples, teaching, preaching, healing as well as taking time out (they visited the coast several times). After His 3 year training programme He left them but did send His Spirit to be with them.

After 2 ½ years here I need to review what's going on in the churches and see if we're are fit for purpose or not; are we coasting? Do we know what our main functions are and what is secondary? Manchester Diocese has asked the Churches what will the numbers, the finance and the building be like in 10 years' time? Quite a number have closed or merged because they're not viable.

Let's make sure that we, as individuals and members of various groups, are not coasting in 10 years' time.

I pray that, where you can, you will have a great holiday - and make time for an ice-cream (or two).

Choir from St. Marks, Harrogate sings in Fewston Church

On Sunday 12th July Fewston Church resounded with the voices from the 21-strong Choir from St. Marks Church leading a service of Sung Evensong. Our Vicar, Graham, in leading the service, was able to welcome congregational members from most of our benefice churches together with some from St Marks as well as their Vicar, Rev. Guy Donegan-Cross. The organ was played by James Arneil, who is no stranger to Fewston, and the Choir which was conducted by their Director of Music, Paul Dutton, led the congregation in settings for the Magnificat and Nunc Dimittis by Stainer. A fine act of worship superbly topped off with tasty refreshments in the Heritage Centre after the service.

UNLUCKY NUMBERS

Some people think that the number 13 is unlucky but did you know that other countries and traditions have different 'unlucky' numbers?

The numbers 4 and 9 are considered unlucky for the Japanese. Why? Because the Japanese word for '4' sounds exactly like the word for 'death' and the word for '9' sounds like the word for 'suffering'. There are no rooms numbered 4 or 9 in many hospitals or hotels in Japan.

JOE: I'm so unlucky; my plastic fruit went mouldy.

JIM: I'm more unlucky than that – my stuffed bird flew away.

JACK: That's nothing. When I went ice-skating the rink caught fire!

Washburn Parish Council met at the Robinson Library, Timble on 6 July. Summer must be nearly upon us as it has been a fairly quiet two months. The church warden of St. Andrews, Blubberhouses gave a passionate response to the possible closure of the church. The building has architectural and historical interest, which you cannot fail to notice as you travel past it on the A59 between Skipton and Harrogate. It was agreed that the church would make an excellent small venue for art and music events and so we should give our support to the raising of money to provide a toilet and kitchen. The church would then be in a position to apply for such events and hopefully stay open. Area 6, our highways department, continues to cause concerns with local residents. The extensive work on the resurfacing of the Spinksburn to Bedlam Road caused outrage in that the road is rarely used by motorists, yet the heavy flow of traffic using the Fewston road resulted in highways making only minor repairs.

The excellent growing conditions of sun and rain have encouraged the verges and hedgerows to flourish. Wild flowers are making a comeback but safety may result in some verges being cut when visibility for car owners is compromised.

Karen Coram, Parish Clerk

On a lovely summer's evening for our July meeting the ladies of Askwith with Weston WI had a very 'refreshing' talk by a knowledgeable young man, Tom Dobson, who worked for Betty's and Taylor's Tea Group. Tom told us that there were 40 different types of tea, and he had brought 7 for us to see and taste. It takes Tea Tasters 3/5 years to qualify and they spend 6/7 weeks of every year travelling tasting tea. They taste with a china cup and bowl in front of them and 5.6gms of tea is put in (which is much stronger than normal). They test for both soft and hard water, Taylors are the only ones who test for hard water. The Tea Tasters palettes are very refined, they can actually taste if the water has been boiled twice. Two spoons are used for hygiene purposes and it is slurped sharply and then spit out into a spittoon. They taste 30 cups of tea in one hour. The first tea we were introduced to was Gunpowder Green tea from China – which was the original old tea, it actually smelt quite familiar. The second was Lapsong Sou-chong which has quite a strong smell and taste, but quite refreshing. Thirdly, Earl Grey which is perfect for cakes and pastry, supposedly to be taken without milk, but Tom said it was fine with milk as Prince Charles had milk with his but, Camilla took hers with just lemon!! Fourth was Assam tea from India and fifth was Yorkshire Tea which of course is refreshing.

Six was a Moroccan Mint green tea which was also refreshing and soothing. Seventh was Darjeeling which is an afternoon tea and we were told it was the champagne of teas, and the most expensive as it was such a delicate tea. Mostly women picked the tea from bushes and they wore aprons and sackings, the bushes needed plucking every 7/14 days and the younger the trees were the better. Each picker picked up to 70lbs of tea per day. Tea was graded as to the size of the leaf. The most popular teas we have are the Tearoom Blend, the Breakfast tea and Early Grey.

Our next meeting will be held on Thursday 13 August at 7.30pm at Askwith Village Hall and our Speaker will be Sgt. Andy Graham, from the North Yorkshire Police.

The WI helped with cakes and tea for Askwith Open Gardens which is held every two years and was a great success, the Washburn Supper at the Heritage Centre was also a good evening. Our walking group enjoyed a walk from Ilkley to Addingham with lunch taken at our Secretary's home. Lots of events are being arranged for later in the year, everyone is welcome.

If you would like to attend any of our meetings please contact either our Secretary: Mrs Sue Appleyard 01943 839292 or our President Mrs Margaret Creek 01943 467865

Farnley Estate WI

As the magazine goes to print before our July meeting I will merely report that several members visited Pateley Bridge Museum and rounded off their visit with supper at The Willows in Pateley Bridge.

Following on from our visit to the museum where I'm sure having previously visited this museum myself there will have been lots of "ooh's" and "ah's" and "I remember this or that" as members walked round, we will welcome Keith Barber for an amusing trip back in time with his talk "Nostalgia". This meeting is on Wednesday, August 12 at 7.30pm in Leathley Village Hall when our hostesses for the evening will be Jenny MacDonald-Smith and Diane Hanline.

Our September meeting on 9 September again at 7.30pm in Leathley Village Hall should be a brew worth trying when Taylors from Harrogate entertain us to a "Tea Tasting". Hostesses are Doreen Marriott and Betty Naylor.

Farnley Estate WI are a group of very friendly ladies who would love YOU to come to a meeting. We'd welcome you and I'm sure you'd enjoy meeting, chatting and even learning a new skill or hobby through the WI if you decided to come and try one of our meetings.
