# Of Which Country Are You A Citizen ?

I'm Yorkshire born and bred (although conceived in Scotland) so I'm flying the flag of a white rose on a blue background from August 1st – Yorkshire Day. I'm English (although Mum's Mum was Scottish), therefore British and a member of the UK. For the moment we're also Europeans as well as being part of the human race.

For Christians, regardless of where they were born, nurtured, live or what colour they are, language they speak, culture they are part of, are all citizens of Heaven, whatever that place actually is or looks like. St Paul says that we are in this world but not of this world. God is our Heavenly Father. We are made in His image and His Spirit was breathed into us.

In the Bible Heaven is described as the best place to be, where the saints and elders gather around God's throne praising Him. If being with God is heaven then the opposite must be true – without God is not Heaven - hell. I know where I'd rather be.

David, the Shepherd boy turned King, wrote a number of psalms, the most famous is the 23rd. This finishes with 'I will live in the house of the Lord forever.' Just before He died, Jesus told His disciples that he had to leave them and go back to his father so that his Spirit could come to them and that he could prepare a place in his father's house for us. Dying is actually going home, back to Dad, where all the flags will be flying.

Whether you fly the flag on 1st August, 1st March, 5th March, 17th March, 23rd April, 30th November etc., and whether the national emblem is a white rose, daffodil, pasty, pint of Guinness, haggis etc., Christians should fly the flag of peace with the emblem of a lamb or a dove.

I write this on the day of the funeral of Jo Cox MP, and the people of Nice are, with the rest of France and all people of peace, recovering from the atrocity yesterday on France's National Day, which commemorates the Storming of the Bastille on 14th July 1789. The *Fête de la Fédération* on 14 July 1790 was a celebration of the unity of the French nation during the French Revolution. The aim, one year after the Storming of the Bastille, was to symbolize peace. Let's pray that they can still celebrate their day of peace next 14th July.

All people of peace must continue to unite against evil in thought, word, deed and especially in prayer, which influences the first three. Where ever you live be at peace with each other.

May the peace of God, which passes all understanding, be with you, your families and neighbours, now and for ever. Graham

# Faithful God

(Jn6:68)

Faithful God,  
Present in the crisis,  
Reminding,  
Re-assuring,  
Real now, as then,  
In sunshine,  
In storm,  
In beauty and in pain.

God, who created and called,  
Who gave and gave and gave  
Is the God of giving still.  
Is the God of giving more...  
More love,  
More presence,  
More hope,  
More peace,  
More life moments  
With him in the middle.

To whom shall we go?

By Daphne Kitching

# A Strong Hold

Should I slip and lose the way  
The Lord will hold me fast,  
Should I chose to walk away  
I'm firmly in His grasp.

Though I walk through death's dark vale,  
His rod and staff are there  
I would not dare to walk this path  
Without His loving care.

Although my hold on Him is light  
His loving arms are wide,  
What He's begun He will fulfil  
Till I am safe on Canaan's side.

What God is this who loves us so?  
Our future He has planned,  
We're ever safe in His embrace  
And none can snatch us from His hand.

## Christian Aid Week FINAL Extra

Writing for the July issue I said "we have raised in our area the wonderful sum of over £2500 for Christian Aid this year! Well done everybody!" That remains true, but the total has climbed still higher through more, and generous, gifts. **The final audited total is £2624-70. Excellent indeed!!** A record, even, except for one year when someone sorting out his affairs gave an amazing £1000 to Christian Aid.

My thanks and Christian Aid's thanks to everyone involved in that - all who gave so generously and our team of house-to-house collectors who brought it in. And I note again that a very useful sum included in the above is **£92** raised at the Soup Lunch at Norwod Chapel on the Thursday of Christian Aid Week. Special thanks to Brenda and Yvonne and Norwood Chapel for hosting it and everyone who came and donated after enjoying their lunch. A truly marvellous Week all round.

Thank you again, one and all. What matters most is the help we have given to people in great need, like Morsheda in Bangladesh.

# Askwith with Weston WI held on Thursday July 14th 2016

Askwith with Weston WI had an impromptu meeting as unfortunately their Speaker was not able to attend, but in true WI style we soon made our own entertainment and enjoyed a Quiz provided by one of our members and a welcome cup of tea afterwards.

We have had a very successful year this year with lots of entertainment and outings, this month we were, of course, helping with the Great Yorkshire Show with a few of our members helping with the Catering, as always we provide lunches and scones and craft is exhibited in the WI tent.

We are arranging a couple of days next year to Alnwick Gardens, with an overnight stay and transport provided, details can be found from our President, and also the possibility of a trip to Gaping Gill with a trip down for anyone feeling adventurous, but as the inside is extremely large (as big as York Minister), not too daunting.

Our WI is a thriving WI and new members of all ages are very welcome, we have Craft, Walking, and Luncheon Clubs also theatre trips to the ballet throughout the year.

We have also enjoyed our trip to Denman College once again this year. The college is in beautiful surroundings in Oxfordshire and we are able to attend once every two years on our Federation trip, with lots of different courses and outings, lovely rooms and meals are provided. The friendship and fun we have is wonderful and a must for all WI members.

# Farnley Estate WI report by Caroline Barker

the  
INSPIRING

July 13th – 'Scones at the Midland' – The story of pinnies and pearls.

About 8 years ago 4 ladies, 3 ex teachers and one with an architecture background come up with the idea of Vintage afternoon Teas with traditional values and homemade cakes. They searched charity shops, auctions and car boot sales for crockery, fine china, linen and even silver teapots. They give 'teas' at birthdays anniversaries weddings and christenings or even if you and a few friends wish for a treat one afternoon at home.

The ladies gave an interesting amusing talk and then served a sample of their cakes and scones – scrumptious. Makes me want to get out the china cups and saucers, long ago forgotten about.

The business part of the meeting included a report from the National AGM. There was a request for members to help with research, and first hand knowledge for the 2 national resolutions – care for dementia patients in hospital and food waste.

Six members attended the WI walk at Harewood on 7th July, the next one possibly an evening walk.

Several members had attended and helped at the WI marquee at the Great Yorkshire Show making about 2000 scones and several hundred bacon buttees!!!

August 10th - 'Bronte Sisters' – celebrating the 200th anniversary of Charlotte Brontes birth Farnley Estate WI is a group of very friendly ladies, who would love you to join them at a meeting.

I'm sure you would enjoy meeting chatting and possibly learning a new skill or hobby through the WI. Come and try a meeting. We meet the second wednesday of the month at Leathley Village Hall at 7.30pm. For more information please contact our President Gillian Lishman 01423 734275

**Askwith with Weston WI** "We were delighted to welcome local magician Hedley Fawcett to our June meeting. Hedley is a long-standing member of the Magic Circle and has received many accolades over the years. We were treated to a brief history of the art of magic and, with the aid of a few simple accessories, numerous baffling magic tricks and many laughs. Hedley is a great entertainer and we all thoroughly enjoyed the evening.

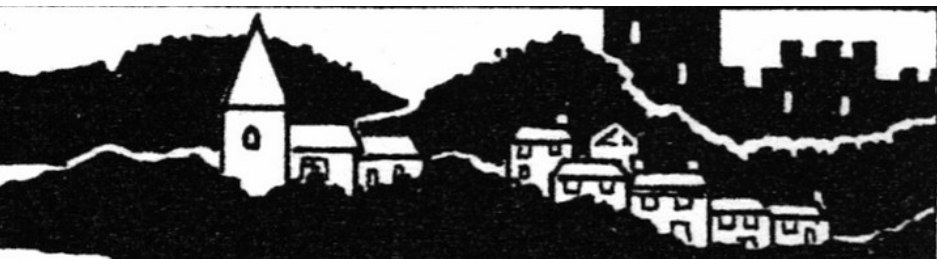

We are in the middle of a busy few weeks. A group of us took part in a circular walk from Linton to Burnsall organised by Threshfield and Linton WI ending with tea and cakes at Linton.

Some of us visited the glorious Himalayan Gardens at Grewelthorpe and enjoyed a tour led by the Head Gardener, lunch at Grantley Village Hall, then a summer flower arranging demonstration in the afternoon.

We're visiting Wallington Hall in Northumberland next week and we also have our regular walks, lunch club, and craft group to look forward to this month.

In July our own WI visits Thornton Hall gardens near Darlington and then later in July many of us are helping in the WI Pavilion at the Great Yorkshire Show.

We're a friendly group meeting on the second Thursday of the month at 7.30pm in Askwith Village Hall and we always welcome visitors from around the area. For further information contact Margaret Creek on 01943 467865 or Sue Appleyard on 01943 839292 or have a look at our website [www.askwithwithwestonwi.wordpress.com](http://www.askwithwithwestonwi.wordpress.com)

## THE BIG CATCH OF FISH

The disciples had spent all night out on the lake fishing. As the sun rose a man on the shore asked them, "Have you caught anything?" They answered, "Not a thing". He said to them "Throw your net out on the right side of the boat and you will catch some." So they threw the net out and could not pull it back in because they had caught so many fish.

Then John recognised the man and said, "It is the Lord" When they reached the shore there was a fire burning and some bread. "Bring some fish" said Jesus "Come and eat."

How many fish did they catch?  
Read John 21:1-14

Can you find 18 pairs of fish and the odd one out?

## TELEVISION

When did television start? I bet you didn't know that it started on 22nd August 1932 when the British Broadcasting Corporation introduced its first regular TV service in the London area. By the summer of 1949 television began to be available outside London and 1954 saw the first daily news bulletins and weather forecasts. Colour pictures arrived at the end of 1969.

Lots of people moan about what is on television and what a waste of time it is, but there are good things to say for it too. Without the news reports of famine in Africa would we have had Live Aid? And what about Comic Relief and Children in Need?

TV entertains and educates. It helps us to relax, and it can also help us to pray by showing us the world. We see the natural disasters of weather like tsunami and hurricanes. We see people hurt and made homeless by war. And we turn to God and ask Him to help those who suffer and we pray for them, remembering that we are God's hands here on earth.

# Lower Washburn Parish Council

## Parish meeting 14 July 2016

The Parish members are concerned about the erosion of the riverbank at Castley and have advised North Yorkshire County Council of their concerns. The County Council have accordingly appointed consultants to advise on appropriate measures to stop the erosion. Hopefully there will be some action later this year.

Flooding at Castley also occurred over Christmas with water backing up behind the flood defences and several houses were damaged. A representative from the Environment Agency has visited the area and consideration will be given to finding a solution to prevent similar flooding in the future.

The parish website is now live and can be found at [www.lowerwashburnpc.co.uk](http://www.lowerwashburnpc.co.uk) and we welcome any feedback.

Harrogate Borough Council currently provide a free wheeled bin garden waste collection service but with the financial constraints the Council are under the service will move to one where residents choose to subscribe to it by paying an annual fee. From June 2017 the owners of properties which have had a free collection service will have to pay a fee of £39 to continue to have the green waste collected.

The next parish meeting of the parish will be on Thursday 8 September 2016 at Leathley parish rooms commencing at 8.00pm.

We were lucky to have sunshine for the two afternoons when we had Open Gardens.

We raised a total of £2000 for St. Oswald's Leathley and our thanks go to all who worked so hard at these events. Special thanks to Gilly and Peter Cromack and :Liz and Tony Webster for sharing their special gardens.

# All in the month of AUGUST

It was:

90 years ago: on 17th August 1926 that George Melly was born. This flamboyant British jazz/blues singer; music, TV and film critic was also an expert on art history, particularly Pop Art and Surrealism.

80 years ago: on 1st August 1936 that the 11th Olympic Games opened in Berlin. It was the last Olympics for 12 years due to WWII.

75 years ago: on 15th August 1941 that Saint Maximilian Kolbe, Polish Franciscan friar and martyr who sheltered 2,000 Jewish refugees from the Nazis, died. He had taken the place of a condemned man at Auschwitz concentration camp.

70 year ago: on 13th August 1946 that H. G. Wells, British science fiction novelist (The War of the Worlds, The Invisible Man) died.

60 years ago: on 27th August 1956 that Britain's first nuclear power station, Calder Hall in Cumbria, began operating. It was the first nuclear power station in the world to generate power on an industrial scale.

50 years ago: on 1st August 1966 that the Cultural Revolution began in China. It was intended to preserve China's Maoist/Communist ideology by banishing capitalist and traditional elements from society. Millions of people were persecuted.

40 years ago: on 1st August 1976 that Austrian racing driver Niki Lauda suffered life-threatening burns and permanent disfigurement when he crashed in the German Grand Prix. As a result, the Nurburgring circuit was made less dangerous.

30 years ago: on 9th August 1986 that British rock band Queen performed their final live concert before the death of Freddie Mercury. It took place at Knebworth Park, Stevenage.

25 years ago: on 8th August 1991 that British journalist John McCarthy was released by Islamic Jihad in Lebanon after being held hostage for more than five years.

Also 25 years ago: on 24th August 1991 that Mikhail Gorbachev resigned as First Secretary of the Communist Party of the Soviet Union.

20 years ago, on 23rd August 1996 that Osama bin Laden issued a fatwa entitled A Declaration of War Against the Americans Occupying the Land of the Two Holy Places. At that time few people knew who he was and so it received little attention.

15 years ago: on 6th August 2001 that U.S. President George W. Bush received a daily briefing warning that Osama bin Laden was determined to strike in the USA. (Six weeks later came the 9/11 terrorist attack.)

10 years ago: on 9th August 2006 that British police arrested 24 terrorists who were plotting to blow up at least 10 aircraft travelling from the UK to the USA using liquid explosives.
