## “WHO’S THAT?”

Between October and December, you’ll see an unfamiliar figure sporting a dog collar around the Washburn Valley and Mid-Wharfe United Benefice, and may wonder, “who’s that?”. So I hope you’ll allow me to introduce myself. My name is Revd. Julie Bacon, and I am currently a curate in my third year of training, licensed to the parish of St Peter’s, Shipley, in the Bradford Episcopal Area. Revd. Graham Shield and the church wardens have kindly agreed that I can come on a placement in the benefice for the three months between October and December, so that I can get a little experience and insight into what it’s like being a vicar in a rural area. Being a curate is all about continuing the training for ministry that started before ordination. Most of the training takes place in a curate’s training parish, alongside further study and courses. But it is often helpful for curates to go outside their training parish to get experience of new things and different situations.

I am 51 years old, and was ordained in June 2014, following three years’ part-time training on the Yorkshire Ministry Course based at Mirfield (near Huddersfield). Before ordination, I worked for 7 years as part-time church administrator at All Saints’ Church in Ilkley (we lived in Ben Rhydding). In my earlier life, I worked for a short time at the Stock Exchange in London, and then qualified as a solicitor, before moving to Yorkshire with my family in 2000. I am married to Matt, and we have two children – Jack, aged 20, and in his third year studying history at King’s College, London, and Kate, aged 17, who will take her A levels in English, History and Maths next summer. We also have a black miniature poodle called Pippin. We currently live in Shipley, near the World Heritage site of Saltaire.

To relax, I enjoy walking and singing, as well as spending time with my family and friends, particularly over meals. I also love going to the cinema, but don’t get there as often as I would like!

I grew up in a small town called Newport in Shropshire, before going to university in Oxford and then starting work in London. I’ve always gone to or worked in churches in town or suburban settings, and so rural ministry is a completely new area for me. I’ve already seen for myself the size of the benefice, and got an idea of the team that is necessary in order to keep four parishes with six churches functioning. I’ve also got lost trying to find the Rectory! I’m looking forward to getting to know you as well as I can in the three-month period that I’m with you, and to finding out what it’s like to be a Christian in the Washburn Valley and Mid-Wharfe area. I hope that I can talk to as many of you as possible to find out what difference your faith makes to you, and where you meet God in the places where you live and work.

I am very much looking forward to my time with you. I will be praying for you as I prepare to join you, and would very much appreciate your prayers for me before I am with you in person in October. And if you see an unfamiliar figure in a dog collar looking bemused and a bit lost, please say hello and introduce yourself – and then send me off in the right direction!

ST OSWALD’S, LEATHLEY was the venue over the August Bank Holiday for a very successful exhibition by the Yorkshire Flower Club ladies.

Using Diana Parsons’ book about the Washburn Valley, Yorkshire’s Forgotten Dale they created 32 stunning arrangements which delighted visitors from a wide area.

The weekend began with a preview evening for invited guests and continued on the Saturday night with a musical event by Madrigalis and the busy Washburn Valley choir conducted by Ali Wood. There was a Songs of Praise morning service on Sunday and the weekend came to its happy ending with Teas on the Green in the village hall on behalf of the Church.

Flower Club chairman Fiona Barlow, who worships at St Oswald’s said: “Everyone of our members really enjoyed setting up their arrangements in the delightful old church. It was hard work but it was well worth it.” And Rita Swallow, warden at St Oswald’s, said: “It was all a fitting ending to our theme of Teas and Flowers throughout the summer which has brought in much needed revenue for the upkeep of the building and surroundings.

Two open gardens, a Teas in May and the August weekend raised about £4000. We are very grateful to all who contributed in various ways to the success.”

## OPEN MEETING AT ALL SAINTS PARISH CHURCH, FARNLEY

## FARNLEY ESTATE WI REPORT

by Caroline Barker

September 14 - Colin Anderson - '5 years at Buckingham Palace'

Colin was originally from Arkengarthdale, a farming family. As second son he needed to find a career outside farming and trained at Scarborough Technical college where he obtained his City and Guilds in Cookery.

In 1971 he started a 3 month trial at Buckingham Palace in the kitchens and stayed 5 years. He gave an entertaining account of life in the palace kitchens and serving royalty, from how to make cauliflower tartlets to how the copper pans were re-tinned every 2 years.

Timing of cooking and serving must have been a nightmare for staff as it could take 10 minutes from the kitchen to the dining room – how do you keep a poached egg warm for that length of time, Colin knows the answer. It took 20 minutes from the kitchens at Windsor castle to the table for tea and scones were always on the menu. He also worked on the Royal Yacht and accompanied the Royalty on many overseas trips.

After leaving the Palace he returned to Harrogate and took over the Sandringham Hotel at Beckwithshaw and had the Queen Mother for lunch on one occasion. He gave an insight into several biscuit recipes used and also the wedding cake recipe for Prince Charles and the Duchess of Cornwall – 1080 eggs used and 16 bottles of alcohol included!

The business part of the meeting followed. Rita Swallow a longstanding member of the WI had recently died and funeral details were given.

The 2 resolutions on Dementia and carers in hospital and food waste were discussed, further information from Lesley. Askwith WI were having a trip to Wentworth Woodhouse spaces available. Starting up of a Bookclub – any interested to speak to Anne Robinson. The walk at Lindley was well attended – warm weather and excellent refreshments from Anne Robinson.

Next walk will be on 6th October starting at Sleights Meadow, Huby, led by Anne Thorpe – start 9.30am.

October 12 – AGM and Faith Supper

November 9 – Caroline Fowler – Needlepoint Sewing Cafe – 'Patchwork Christmas'

Farnley Estate WI is a group of very friendly ladies, who would love you to join them at a meeting. I'm sure you would enjoy meeting, chatting and possibly learning a new skill or hobby through the WI. Come and try a meeting. We meet the second Wednesday of the month at Leathley Village Hall at 7.30pm.

For more information please contact our President Gillian Lishman 01423 734275

## ASKWITH WITH WESTON WI MEETING

8th September 2016.

Trevor Vaughan, padre, priest and preacher came to our September meeting and gave a really amusing talk about his life as a Church of England priest for over 40 years. He served both in urban and rural parishes and was padre to The Duke of Lancaster's Own Yeomanry for 20 years, where he told us many amusing tales whilst serving as padre in the Yeomanry.

Trevor has written two books one called "Parson's Pie" which is crammed with a motley mix of merry musings called from both his public and private life, he reminisces about his schooldays in Skipton, also living for many years in Barnoldswick. His first book called "Nowt" – "A Ministry of Nothing" because when his father asked him what he wanted to do on leaving school, he replied, "nothing", so when he eventually told his father he wanted to enter the Ministry and become a priest, his father said, "Well, you will have your wish then lad you'll be doing 'Nowt'!!

Trevor has now retired and lives in Ripon where he continues to carry out locum duties.

His talk was really interesting with members laughing throughout the evening. Our meetings are held at Askwith Village Hall and are the second Thursday in the month, starting at 7.30pm .... please feel free to just come along with a friend or on your own, everyone is made very welcome and a light supper is always served. We have a Craft Club, Walking Club, and theatre trips to the Ballet. Members recently went down Gaping Ghyll successfully, and the walking group organised a lovely circular walk from Ilkley to Middleton. Our next meeting and Speaker is:

13th October Tanya Umpleby – Demonstrating Cookery Fantastic

10th November Annual General Meeting.

Sue Appleyard – Secretary 01943 839292

Margaret Creek - President 01943 467865

## St FRANCIS

4<sup>th</sup> October is the feast day of St Francis of Assisi. When Francis came to God people thought he had gone mad and even his own father disowned him. But Francis' simple way of life soon attracted others. He and his companions went out to preach two by two. Unlike the preachers and priests that people were used to, they wore sackcloth and went barefoot. They were different in other ways too; they lived a very simple life and celebrated God's creation.

And to Francis all of God's creation was equally important. In one famous story a wolf had been eating people. The town wanted to kill the wolf but Francis talked the wolf into never killing again. And the townspeople made sure that the wolf always had plenty to eat.

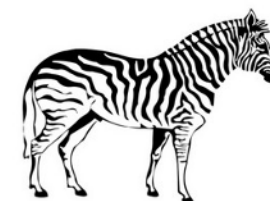

Even blindness did not discourage Francis' spirit when he wrote his beautiful 'Canticle of the Sun' praising God through the miracle of His creation. Francis died aged only 45, worn out with years of poverty and wandering.

## SWIM, FISH, SWIM

How do you make a paper fish swim? Cut a fish shape from a sheet of ordinary writing paper. Make it 10-12cm long, and decorate it making sure that the colours won't run when the fish gets wet. In the centre of the fish's body cut a small circle and then a very narrow slit from the tail to the circle.

Now, keeping its surface dry, gently lay the fish on the surface of a bath or large bowl of water and carefully place a few drops of cooking oil into the central hole. The oil will expand through the slit and drive the fish through the water.

**What's black and white and goes round and round?**

A zebra stuck in a revolving door.

**Why did the homeless turtle cross the road?**

To get to the Shell station.

# Bible Bite

## A short story from the Bible

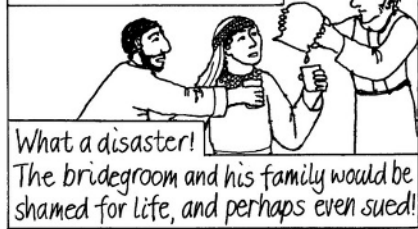

It can be read in the Bible in John chapter 2 verses 1 to 10

Jesus, his mother, and his disciples were guests at a family wedding in Cana. The bridegroom was responsible for the food and drink.

The wedding feasts went on for days

Then the wine ran out...

Mary noticed...

So why are you telling me?

She told the servants

Fill those six jars to the top with water

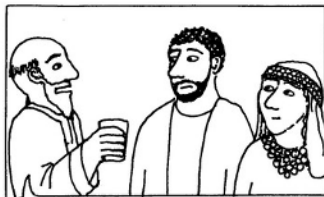

and each jar held about 100 litres

Now take some out and serve it to the toast-master

He tried it....

...this is the best wine I've ever tasted!

## The tale of the Prodigal Son

JESUS OFTEN TOLD STORIES WITH HIDDEN MEANINGS

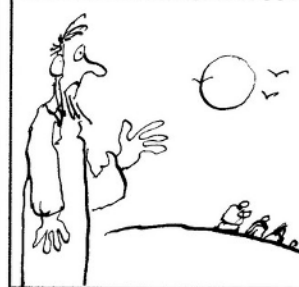

ONE WAS HARD WORKING AND CARED FOR HIS FATHER

HE HAD MANY FRIENDS...

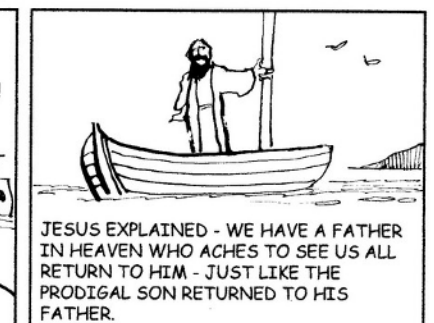

...UNTIL HIS MONEY RAN OUT

I KNOW, I'LL GO BACK TO MY DAD AND SAY SORRY - BUT HE'LL BE SO CROSS.

BUT HIS FATHER WAS FAR FROM ANGRY - HE WAS THRILLED TO SEE HIS SON RETURN HOME!

## THE WATERFALL

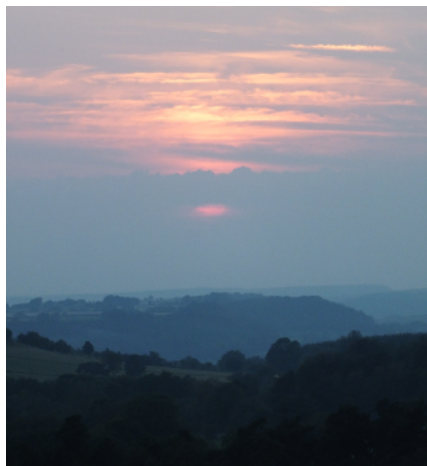

The noise and power of a waterfall is probably one of the most spectacular attestations of God's creative power that there is. It calls to mind the words of Psalm 66:

Shout for joy to God, all the earth! Sing the glory of his name; make his praise glorious. Say to God, "How awesome are your deeds! So great is your power that your enemies cringe before you. All the earth bows down to you; they sing praise to you, they sing the praises of your name. Come and see what God has done. (Ps 66:1-5a) Waterfalls bring out the poet in the onlooker:

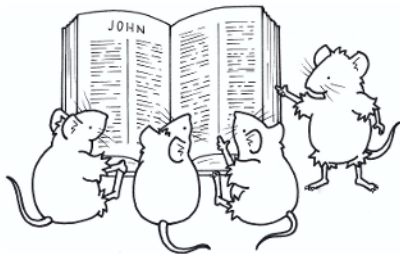

We hear the roaring water  
We see the foaming spray  
The mighty pow'r of nature  
Compels us all to pray  
"O Mighty Lord, Creator  
"O Maker of us all  
"The finest work thou makest -  
"The tumbling waterfall!"

The spray refracts the sunlight  
Into the rainbow hues;  
We feel the water shaking  
The ground beneath our shoes!  
We gaze into the torrents  
Unto the Lord we call  
"O Praise thee, God our Father  
"For this, Thy waterfall!"

## A CYCLE FOR TWO

A cycle is a thing to bless  
From which to see the view  
But if you like togetherness  
You need one made for two!

Two bikes? Well, yes, that sure beats one  
You each can make your way  
But if you want to have real fun  
A tandem, any day!

You bowl along those country lanes  
A-chatting as you go  
The blood runs merry in your veins  
You have a healthy glow.

You puff together up the hills  
Together - reach the top  
And, zooming down, your hair in frills  
You never want to stop.

So if you have a special friend  
And cycling's what you like  
Put separate cycling at an end  
And get a tandem bike!

By Nigel Beeton

*Editor: Nigel Beeton and his wife have just bought a tandem. He writes: "There is nothing to beat tandem cycling, it's like normal cycling, except with company! Solo cycling is, well, solo; it's all very well if you like being alone, but if you're with someone else, they end up ahead of you or behind you; the only way to communicate is to bellow at them, and it's no good saying later 'Did you see that Hobby sitting on a telegraph pole just outside such and such a village?'"*

## BELL TIME

Shiny and metallic  
But not a piece of bling  
They're there to make a noise  
Shake them and they will ring

These things are made of metal  
You might have lots or just a single  
If you give them a good shake  
The noise that they make is a jingle

If you hear these jingling around  
The night just before Christmas Day  
You had better try to get to sleep  
As you are hearing Santa's sleigh

They might mark the start of church  
Or signal day's end at schools  
You might have one by the door  
So you know when someone calls
