The Frozen Roman

Badapple are back with their professional theatre featuring the Frozen Roman.

They came, they saw, they built a wall... they went away again. Or did they? A clandestine meeting at the Phoenix pub gets heated, as the villagers rack their brains for new ways to fight the imminent housing development that threatens village life as they know it. The discovery of an ancient Roman site under foot may just throw them a lifeline if they can somehow authenticate their mysterious findings. However things aren't always what they seem! Expect a double dose of comedy as the situations goes "*ballisticus maximus*" in this brand new original comedy from Kate Bramley and Badapple Theatre.

At its last meeting

Washburn Parish Council learned the cost to Harrogate Borough Council of disposing of one ton of black bag rubbish is £120, whereas one ton of recycling (blue bags and black boxes) is only £20. A very significant difference, so we can all help the council to afford some of the services we value by ensuring that all possible items are recycled rather than black bagged.

Timble Chapel,

now a "festival church" with occasional services, invites the churches of the Benefice, and all residents of the Washburn Valley, to join us in a "Celebration of Harvest" on Sunday September 15th at 2.30 pm. On Saturday afternoon, September 14th, we will be decorating the chapel and would welcome any gifts of flowers or produce

The service will be led by Rev. Lesley Taylor, who is the Superintendent Minister of the Wharfedale and Aireborough Methodist Circuit. We would be delighted to welcome you to this service and we look forward to your support as this chapel serves the local community and visitors by being permanently open for prayer and meditation.

LOWER WASHBURN PARISH COUNCIL – August 2019

Some items of interest.

The parish council are extremely concerned about the river erosion and a dangerous tree in Castley. The river particularly at times of flood is causing erosion of the river bank to the point where very soon some action will have to be taken to prevent the road being affected. Near to this part of the river a tree is overhanging the road with the possibility that if it fell the road would be closed. Our concerns have been reported to officials at North Yorkshire County Council who tell us that they are closely monitoring the situation.

The white road markings on Leathley Lane marking the middle of the road and no overtaking have worn away and are difficult to see. After this issue was reported North Yorkshire Highways are arranging for the markings to be repainted.

There is concern about speeding traffic travelling along Farnley Lane and the parish has agreed with Otley Town council to jointly fund a speed restriction sign. As Leeds City Council is the Highways authority their agreement is needed before the sign is erected.

The parish caretaker continues to carry out work around the parish (e.g. cutting back overgrowth at junctions to improve visibility). If anyone is aware of work that they feel needs to be carried out please send details to the Clerk (contact details below).

The parish meetings take place in Leathley Village hall commencing at 8.00pm and anyone may attend. The meeting dates for 2019/2020 are as follows:

2019

12 September

14 November

2020

9 January

12 March (including the annual parish meeting)

14 May ((including the annual general meeting)

Mouse Makes

Read the story in Mark 1:1-20

Once there was a man who went out to sow corn. As he *scattered* the seed in the field some of it fell along the **path** where it was stepped on and **eaten** by the birds. Some of it fell on **rocky ground**, when the plants sprouted they **dried** up because the soil was dry. Some of the seed fell among **thorns** which grew up with the plants and **choked** them, and some seed fell in the **good** soil; the plants grew and produced corn - a **hundred** grains each!

All in the Month of September

500 years ago, from 20th Sept 1519 to 1522 that Portuguese explorer Ferdinand Magellan led a Spanish expedition to the East Indies. It became the first circumnavigation of the world. But Magellan was killed in a battle with natives in the Philippines in 1521.

125 years ago, on 1st Sept 1894 that the General Post Office in the UK sanctioned the use of picture postcards and introduced a half-penny postage rate for them. This led to a boom in picture postcards and the extensive photographic documentation of towns and landscapes.

Also 125 years ago, on 28th Sept 1894 that the British retail chain Marks and Spencer was founded when Michael Marks acquired his first permanent stall in Leeds covered market and invited Thomas Spencer to become his business partner.

100 years ago, on 12th Sept 1919 that Adolf Hitler joined the fledgling German Worker's Part, which would later become the Nazi Party.

80 years ago, on 1st Sept 1939 that Germany invaded Poland, beginning World War II.

75 years ago, from 17th to 25th Sept 1944 that Operation Market Garden took place. The Allies attempted a massive airborne invasion of German-occupied Netherlands but were forced to withdraw. (The story was told in A Bridge too Far.)

70 years ago, on 30th Sept 1949 that the Berlin Airlift ended after 14 months and over 270,000 flights.

65 years ago, on 29th Sep 1954 that CERN (the European Organization for Nuclear Research) was established in Geneva Switzerland.

40 years ago, on 29th Sept 1979 that Pope John Paul II became the first pope to visit Ireland.

15 years ago, from 1st to 3rd Sept, that the Beslan school hostage crisis took place in Russia. Armed terrorists took more than 1,100 children and adults hostage. Russian security forces ended the crisis on the third day, entering the school with tanks and heavy weapons. More than 300 hostages were killed, including 186 children, and hundreds more were injured.

Also 15 years ago, on 30th Sept 2004 that the Iraq Survey Group released its final report (the Duelfer Report) on Iraq's purported weapons of mass destruction programme, following the 2003 invasion of Iraq. It concluded that Iraq had not had any weapons of mass destruction since 1991.

10 years ago, on 14th Sept 2009 that Keith Floyd, the British celebrity cook, television presenter, restaurateur and writer, died.
